Description :

PDF-431c0 | Regan O'Riley is a shy software developer who believes she'll never find a woman who can appreciate her self-admitted geekiness. Mel Raines is a lonely cop haunted by a painful past. She has spent years avoiding intimacy with anyone in her life, and she has no intention of changing. Mel and Regan have a chance meeting in, of all places, a straight bar, and both are surprised at the instant chemist... *Infinite Loop*
