Description :

PDF-77ede | Uff da, it's cold. Undeniably, the only phrase needed to describe a Minnesota winter. With freezing temps and frigid winds, some may wonder why we live in a state often referred to as our nation's 'ice box'. We're a hardy lot up North, and we embrace the season with open arms. We venture out from our homes, cabins and winter lodges ready to brave—and even enjoy—the snow and ice.
