Description :

PDF-8eafa | It's the boldest conquest of our time—the colonization of Mars. Of the thousands who clamored for a one-way ticket to the Red Planet, only a fraction remain in the running. Now they're converging on Hawaii's Big Island for a nail-biting competition to be the first to launch. Mila Todorov has prepared for this moment throughout her young life. With her revolutionary propulsion design already built ... *T-Minus Two*
